Industrial Visit Report

Date: 14 March 2026

Institute: Shree Saraswati Institute of Pharmacy, Tondavali

Place of Visit: AMSAR Pvt. Ltd., Kolval, Goa

On 14th March 2026, the students of Shree Saraswati Institute of Pharmacy, Tondavali, visited AMSAR Pvt. Ltd., Kolval, Goa, as part of an industrial visit.

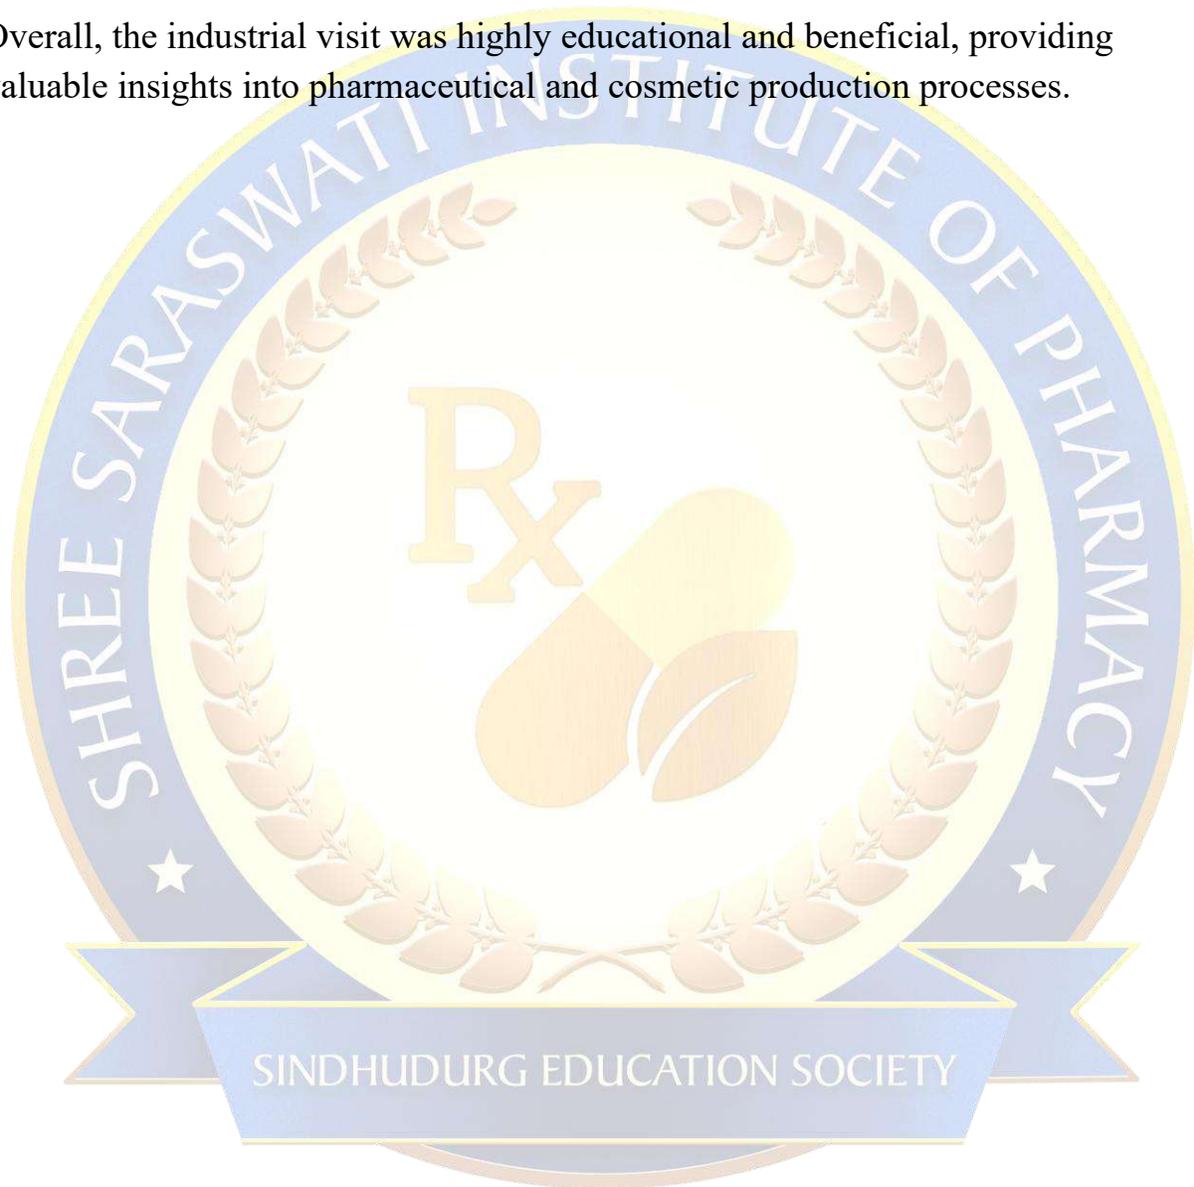

Upon arrival, the students were warmly welcomed and guided by Dr. Supriya Hyam Madam, who provided excellent assistance throughout the visit. She began by giving an informative introduction to the cosmetics manufacturing processes carried out in the industry.

The students were then taken to the production area, where the entire extraction process was explained in a clear and detailed manner, helping them understand the practical aspects of manufacturing. Further, detailed information was provided about various departments, including Quality Assurance (QA), Quality Control (QC), and the Microbiology Department, highlighting their roles in maintaining product quality and safety.

Towards the end of the visit, students were guided through the packaging department, where they learned about the different products manufactured by AMSAR Pvt. Ltd. and their applications in society. The explanation provided was

very informative and helped students connect theoretical knowledge with real-world industrial practices.

Overall, the industrial visit was highly educational and beneficial, providing valuable insights into pharmaceutical and cosmetic production processes.
