INTERNATIONAL YOUTH DAY CELEBRATION: 2022

“Intergenerational Solidarity: Creating a world for all ages”

This day is dedicated to the role young women and men play in bringing change in tackling global issues and achieving sustainable development. It also serves as an opportunity to raise awareness of challenges and problems facing the world's youth.

In 1998, a resolution proclaiming 12 August as International youth Day was adopted by the first session of the world conference of Ministers Responsible for Youth, which was hosted by the Government of Portugal in cooperation with the United Nations.

The National Service Scheme Unit of Shree Saraswati College Of Nursing, Tondavali has undertaken a cleanliness drive in college campus and vijaydurg fort, Sindhudurg under the **“International Youth Day”** 2022 on 10/08/2022 and 12/08/2022 with an aim to create awareness regarding importance of cleanliness and its benefits.

ACTIVITY: 01

As a part of the programme NSS volunteers cleaned the pond inside the campus. NSS volunteers also actively participated in cleaning the campus including classroom, library, labs etc. The programme improved the awareness of NSS volunteers and other students on importance of keeping good personal and environmental hygiene and to build up healthy nation.

Clean campus promotes hygiene; it improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment sets a good example to students. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful.

The students and staff members took voluntary oath to maintain cleanliness of the college campus and its surrounding areas on regular basis.

ACTIVITY: 02

As part of this program NSS volunteers, students and teachers visited the Vijayadurg Fort. Heritage site represent iconic landmarks which signify historical cultural experiences that have contributed to our modern national identity. Fort cleaning and the importance of maintaining cleanliness in this iconic place are mandatory. The cleaning drive is an initiative to upgrade the health and hygiene conditions in and around our area. Keeping the surroundings and environment clean and hygienic is the responsibility of every citizen, both individually and collectively.

Archaeological department incharge and Sarpanch of Vijayadurg Mr. Amay Dilip Ware Sir and other volunteers of village given direction, guidance and explained about Fort history, Architecture and arranged refreshment for students.

Thus the students of Shree Saraswati College of Nursing, Tondavali have initiated steps towards- “Clean India, Healthy India” on the occasion of “INTERNATIONAL YOUTH DAY”2022.
