WORLD CANCER DAY-2023

Theme: “close the care gap”-the multi year campaign’s main objectives are to increase global awareness of cancer day through exposure, involvement, and opportunities.

On the occasion of World Cancer Day dated 4th february 2023 morning 10.00 Am, students of Shree Saraswati College Nursing organized cancer awareness program at Apple Saraswati Multi specialty Hospital, Kolhapur during clinical posting. and played skit to increase public awareness of cancer and its prevention and their effect on society. This day remind to all youth of India that how to control our addiction about drug and affection.

World Cancer Day 2023: each year on 4th February is celebrated worldwide. It is believed to have brought everyone together in the fight against cancer. World cancer day seeks to save millions of lives by educating the public, promoting awareness, and pressuring individuals and governments around the world to take action every year.

Nobody underestimates the severity of the cancer disease. It is a disease that leads to uncontrolled growth and spread of specific bodily cells throughout the body. Cancer can manifest itself almost any place in the human body.

World cancer day 2023: Prevention of cancer

- First and foremost, we need to consume less highly processed foods in fruits and vegetables if we want to prevent cancer.
- Aside from this, world cancer day 2023 awareness day requires a minimum level of alcohol and tobacco use.
- Additionally, one needs to keep up a healthy weight and engage in frequent exercise.
- In order to prevent cancer, we must safeguard ourselves against environmental exposure to dangerous chemicals as well.
- Use a decent sunscreen, be mindful of UV radiation, and wear protective clothing.

Program was started at 10 am as students holding written posters regarding prevention of cancer diseases and prevention then students played skit. At the cancer department unit, hospital staffs, visitors and patients watched the program and students given best effort to reach the message to the public.

After that hospital management encouraged students with warm words shared their view regarding student's performance and lastly wished best wishes for great future ahead. Program was ended with heartfelt thanks to each and everyone, who joined and made it successful.
